

# Saxton's River Inn

Winter 2009-10

## Notes from the innkeeper

Here we are in mid-winter and it seems like we just purchased the inn. It has gone well so far and we are pleased with the support we have received from those near and far. We have made major improvements to the cuisine which I am sure should please all. At present Averill is back cooking and organizing the kitchen and planning great specials that we offer daily.

Now is the time to take advantage of all the fun winter sports Vermont has to offer. Locally we have cross-country skiing, snowtubing or snowshoeing. Whatever your pleasure, there's something for everyone. Vermont Academy or Grafton ponds, about 15 minutes away, offer easily accessible snowmobile trails and there are several major ski areas within 45 minutes to an hour for downhill skiing and snowboarding. Visit the Grafton Cheese Factory or the Vermont Country Store while here at the inn.

**For the winter months thru March 31st we are offering a special deal:  
Book for 3 days, pay for two.**
